## SENSORY FRIENDLY SATURDAY

NEW TIME! 9AM-11AM

On the second Saturday of every month, Miami Children's Museum offers a sensory friendly experience for children with disabilities and their families. Explore the Museum in a sensory modified and supportive setting with limited admission, as well as lowered sound and lighting. Speak to service providers and learn about community resources available to you and your family. Enjoy a sensory friendly stage performance and participate in a variety of sensory based activities. Our goal is to provide your child with the opportunity to engage in social interactions and improve the processing, modulation and regulation of sensory input to increase their understanding of and participation in a natural environment. You'll also have the opportunity to network with other families. **Register HERE**

Multi-Sensory Access Programming made possible in part by

The Ethel and Harry Reckson Foundation/Michael Spritzer & Marjorie Baron and Sam Berman Charitable Foundation Inc.

980 macarthur causeway, miami, fl 33132 • 305.373.KIDS(5437) • [miamichildrensmuseum.org](http://miamichildrensmuseum.org)

Miami Children's Museum's programs are sponsored in part by the State of Florida, Department of State, Division of Arts and Culture and the Florida Council on Arts and Culture. With the support of the Miami-Dade County Department of Cultural Affairs and the Cultural Affairs Council, the Miami-Dade County Mayor and Board of County Commissioners, and the City of Miami. Miami Children's Museum is committed to supporting the full access and participation of all families. To request materials in an accessible format and/or any disability accommodation, please contact us at 305-373-5437 ext. 130 or access@miamichildrensmuseum.org seven days in advance of your visit. To request sign language interpreters, please initiate your request at least two weeks in advance. TTY users may also call 711 (Florida Relay Service).
